

## **Is the eWON Ethernet port autosense?**

On eWON types with only one Ethernet interface (like eWON 500, 2001, 2101, 4001, etc) the Ethernet port is NOT autosense (not auto crossover).

On eWON types with 2 Ethernet interfaces (like eWON 2005CD, 4005CD) the LAN Switch Ethernet ports ARE autosense. But the WAN Ethernet port is NOT autosense (not auto crossover).
